

Energyze North Shore Inc and Northside Montessori School
are proud to present an evening of

SOLARdarity for the Environment

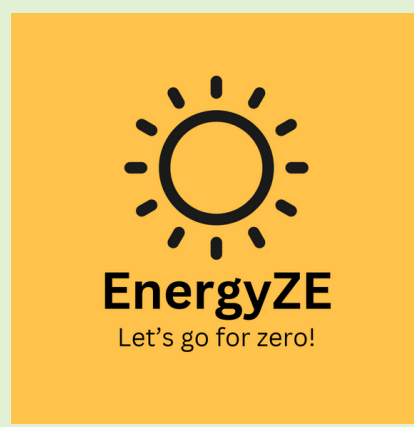

Thursday
22 June 2023
6.00pm-7.30pm

Led by our Secondary School students and guest speakers, the event will showcase 'Solar My School', 'Home Rooftop' opportunities, and NMS's award-winning 'Planet Pens' business initiative.

Who are we?

Energyze North Shore Inc is a not-for-profit and non-political association of local residents who are supporting the community to transition away from carbon emissions and 'go for zero'.

The Opportunities

To be a part of saving the planet and saving money!

To explore the cost-benefit examples using the latest SunSpot App across our school's rooftops.

To enable a pathway for discussion and support for our school to consider using renewable energy.

To present 'solar-made-simple' rooftop possibilities for our homes and invite the community to engage in discussion on transitioning to renewable energy.
